VIEW SOURCE

This fan-fiction article, **Aen Woedde**, was written by [Witcher190](#) and [Adalwulf of Aedirn](#). Please do not edit this fiction without the writers' permission.

This article is an expansion based on a canon element. For canon information on this topic, follow the link to The Witcher Wiki: [Wood Elves](#).

The **Aen Woedde** (*People of the Woods*, *Wood Folk*) are an elf culture, born out of a schism produced in the [Aen Nilfe](#) during the time when they colonized the south of the [Continent](#).

The schism occurred because of differences in the question of slavery. Which led to the Aen Nilfe Civil War. Which ended with the defeat of the anti-slavery faction. Who was forced to retreat to the woods. What gave with the passage of time, origin to the Aen Woedde as we know them and their culture.

With the expansion of the [Nilfgaardian Empire](#) most of the Aen Woedde would be assimilated.
